

**A YEAR OF ACTION.
A WEEK OF CELEBRATION**

BUILDING A GENERATION OF SOLUTIONARIES

Take action. Be part of the solution.

Lincolnvile Kindergarten is joining Enviroweek, a national schools' event celebrating our positive everyday impact for our school community.

From now to September we will be joining in by taking action and creating our online profile to share ideas with other schools and watch our collective impact grow across Australia.

Watch our progress through our Enviroweek school profile.
<http://www.enviroweek.org/teams/lincolnvile-warriors-2/>

We are doing simple actions like e.g. waste-free lunches, reducing rubbish, growing our own vegetables and herbs.

Enviroweek learning will be incorporated into numeracy and literacy as well as a range of activities connecting children with nature, improving health and learning through time spent outdoors.

During Enviroweek, August 30 - September 5, we will celebrate as a community and ask for your vote in the People's Choice Awards.

ENVIROWEEK'S 14 ACTIONS

Actions cover waste and recycling, food, gardening, energy efficiency and health.

WASTE WARRIOR 	GREEN THUMB 
Bin it	Edible garden
Waste-free lunch	Gardening for biodiversity
Swap it	Garden care
Up cycle	Vertical and mobile gardens
Trash nest	Wonky veg
SPARKY 	WILD CHILD  
Switch off	Move and groove
	Nature classroom
	Sit spot
